MEMORANDUM FOR:

FROM:

Chief, Liaison Division
Office of Legislative Liaison

SUBJECT: Brief of Senator Claiborne Pell, (D. RI)

25X1

Attached for your records is a DDI report of briefing of Senator Pell on Angola. I accompanied this briefing in case there were operational issues to be discussed. The only one that emerged was my observation that the Clarke Amendment prohibited us from any operational activity in Angola. Senator Pell was aware of this fact and had no further question.

I would appreciate your passing this information to C/AF.
